Winter Sports Recap

Boys Basketball

Our Viking teams turned in several excellent regular season records, but unfortunately could not continue the success in the City Championships. The 8C1 team, coached by Jon Lintner, came close though, losing to St. Edward in the Final game. The 8A (head

coach Rick Moir), 8C1, 4B (Porter Walker), 4C1 (Mike Chancellor), and 4C2 (Chuck Ballard) teams all had undefeated regular seasons.

Christmas tournaments were won by the 8A, 8B (head coach Jeff Gates), 8C2 (David Casey) and 6C2 (Bob Graham) teams.

Girls Basketball

There were major successes for our 8th grade teams.

Both coach Denise Askin's 8A team and coach David Noe's 8B team won their City Championship. Each team also won their Christmas tournaments. Congratulations to both teams!

Intermediate Basketball

Congratulations to coach Darrell Becht's Junior #2 team on winning the City

Championship for high school freshmen and sophomores. They beat the St. Martha #1 team 42-36 in the final.

Cheerleading

There was no competitive cheerleading team, but a group of enthusiastic 5th and 6th grade girls, led by coach Megan Brown, cheered at our home basketball games. Thanks for all your support girls!

Summer Sports News

Sign ups for summer sports, golf, boys' baseball and girls' field hockey, were held in mid-April. Look for further information regarding all our sports programs on the web site, www.stalbert.org, and

in the weekly parish bulletin.

Volunteers are needed to coach and assist in many other ways. Please contact one of the Athletic Directors if you can help in any way.

Please remember to fulfill your concession stand obligation. Taking your turn,

when scheduled, to help out in the concession areas, not only helps fund your child's sports programs but is also a requirement to be met for your child's continued participation in St. Albert sports.

It takes many people to run our parish sports programs. Fortunately we have several talented and dedicated people that help to maintain our high standards. However, we are a growing community and increasingly need new and more help in many areas. The volunteers in these programs are contributing to the
